Mr. Timothy P. Smyth,
Manager, Chicago ACO Branch
Compliance & Airworthiness Division
Federal Aviation Administration
2300 E. Devon Avenue
Des Plaines, IL 60018

Subject: Japanese Supplemental Type Certificate No. STC-488-TYO for "Installation of the Electroair Electronic Ignition System"

Dear Mr. Smyth,

This is to inform you that the JCAB issued Japanese Supplemental Type Certificate No. STC-488-TYO for the above subject to the applicant, Electroair Acquisition Corporation. This STC is equivalent to FAA STC SA02987CH, issued on March 18, 2015. Please find the attached copies of the Certificate and those English translations.

Thank you for your assistance.

Sincerely,

FURUKAWA Toru
Chief Airworthiness Engineer
East Japan Civil Aviation Bureau
